
Help Navigating!

The vastness of opportunities left behind.

Andrew Rice - 16 December 2024

It's lonely out there.

The point of this is to just provide a small file in the form of a .pdf to see how you can add .pdf's and other attachments easily to my database driven php form.

Currently I'm going to just use it to add some useful links to my primary websites...

<https://www.roadtestpilot.com>

<https://www.youtube.com/@roadtestpilot>

<https://www.facebook.com/profile.php?id=100086551137677>

<https://www.instagram.com/roadtestpilot/>

If you are interested in website design or functional programming then...

<http://www.directfx.co.uk>

Or contact me on

andrew@directfx.co.uk

I thank YOU.
